

Endura Series Bunk Bed

EN 6000 – 20

Max-Secure's research and development team has decades of experience solving issues specific to the corrections and institutional furniture industries. We have leveraged this experience to design a bunk bed assembly that is safe, secure, durable, and comfortable.

For 40 years, Max-Secure furniture has been installed in correctional facilities across North America with a "zero failure" record when installed by our specialized team. Constructed with Max-Secure's advanced proprietary Herculite polymer, our furniture exceeds all national and state fire codes and impact load tests. The unique fastening system leaves no exposed fasteners and the rounded corners ensure safety and reduce the possibility of injury. The bunk bed assembly is available in a variety of colors to complement your facility's décor.

MAINTENANCE FREE FABRICATIONS

Max-Secure furniture is maintenance free and comes with an industry leading ten-year warranty. Our beds are designed to make your resident rooms feel more like living areas and are proven to withstand continuous use in institutional and correctional environments.

PROPRIETARY HERCULITE POLYMER COMPOSITE MATERIAL

All Endura series products are constructed from our proprietary structural polymer composite. It has been formulated to be maintenance free and will not produce toxic fumes.

See back for details.

PRODUCT FEATURES

- Unprecedented 10-year warranty
- Maintenance-free monolithic construction
- Designed to prevent injury to self or others
- Meets all national and state fire codes
- Herculite Polymer Composite will not produce toxic fumes
- Pickproof perimeter sealant forms a complete liquid barrier
- No exposed fasteners
- No space for concealment
- Smooth finish prevents bed bug infestations
- Can be corner-mounted
- Factory trained installers provide 10-year installation warranty
- Made in the USA
